End-of-Year Hot Dog Lunch

Grade 7 & 8 Students organized a Sports Day for the K-6's and requested School Council/ Parents organize and serve a hot dog lunch.

Staff Appreciation Pot-Luck Luncheon (May - Teacher Appreciation Day)

Provided lunch for 30+ staff members with help from parent volunteers

Mental Health Library for Parents (Parent Engagement Grant)

Consulted with Parents, CDA (Lynita Ludwig), Community Links (Airdrie), RVS Psychologist for recommendations of resources on topics affecting students/families in the communities.

Mrs. Jackson placed the order(s) for the resources, and they are accessible outside the School Office for parents to sign out.

5. **CHALLENGES** – *Recommended* (maximum length is 300 words)

Identify up to five (5) emerging trends or issues faced by your school councils. Trends and issues help schools identify opportunities and challenges that may impact planning, budgeting, providing programs and achieving results. A trend shows a direction of data over time, e.g., enrolment growth. An issue is a condition that may affect the school's ability to fulfill its mandate or to achieve its goal.

Covid restrictions prevent in-school volunteers

Restricted communications to parent/school community

Lack of on-going communication with Parent Advisor Committee (Fundraising Society) regarding funds available for activities/events/field trips/wish lists
