This Year We Worked On:

- PBIS – development and launch of school wide positive behavioural expectations.
- Staff engaged in professional learning around Indigenous Education to understand why it's important and the need for this work in the classroom

You Can Help By:

- Be an active participant in your student's learning
- Communicate with teachers about your student's school experience
- Look for opportunities to work with students at home around numeracy and literacy

Next Year You Can Look Forward To:

- More targeted literacy and numeracy interventions.
- Increased focus on career exploration and knowledge of self.
- More work around building a positive school environment.
