Dear 2025-26 Grade 5 families,

As one school year finishes planning for the next has already begun. With that in mind, for the 2025-2026 school year please refer to the following list for supplies required.

Please have students bring their supplies on their first day of school. It is recommended that water bottles are labeled with marker or an adhesive label with the student's first name and last initial.

Please contact the school if you have any questions or concerns. If there is an item or several that you don't have for the first day, please don't panic - we typically have it sorted within the first few days. If there is a need for a priority - indoor shoes, lunch kit, reusable water bottle and backpack are the priority for day one.

Have a wonderful and safe summer! I look forward to meeting you all.

Kelli Jasman  
2025 -2026 Grade 4/5 teacher
