## 2022/23 School Workbook At-A-Glance

Reach out to your child's teacher about your child's specific results.

### This Year We Worked On:

- Differentiation of instruction and supports
- Assessment practices
- Creation of our Problem Based Intervention Strategies, and school Mission Statement

### You Can Help By:

- Providing the school and our School Council with feedback
- Reviewing PowerSchool for updates and communication about student learning
- Communicating with your classroom teacher about student supports, differentiation, and accommodations

### Next Year You Can Look Forward To:

- We will develop our Problem Based Intervention Strategies school matrix
- We will continue to explore evidence of learning and student reassessment
- We will look for ways to incorporate Indigenous Ways of Knowing into our classroom practice
