## Trustee Report:

### Norma Lang Ward 4 RVS Trustee Report - BCS – September 20, 2022

Welcome to the 2022/23 school year at RVS! Thank you all for being here and supporting BCS

#### Important RVS Dates upcoming:

Board annual org meeting Sept 22 at 9:30 am

Oct 6 – School Councils Orientation and Bylaw Workshop – Zoom format 6:30-8 – letter from Chair Gilbert to register if interested

Oct 27 – Joint Board School Council Meeting, March 23 – 5:30 - 7:30 pm includes dinner in person, potential for a hybrid format.

School Council Engagement Grant – workshops and courses available through your association ASCA – in the range of \$300-\$500 – encouragement to look to those courses

#### Meeting with Ed Minister Adriana LaGrange

Sept 8 – focused on one issue – space for students. Space crunch of 10-12 years ago – we are about to relive it if we don't get school announcements in the next budget cycle

## **Sept 8 Board Meeting Highlights**

### Preliminary Enrolment Numbers Show Significant Student Growth

- Rocky View Schools' (RVS) student numbers continue to climb, • As of Tues., Sept. 6, 2022, enrolment is 27,772, an increase of 1,110 students or 4.3 per cent over the 2021/22 school year. RVS will submit final numbers to the government Sept. 29. This number exceeds RVS' projection in January which considers community growth, grade-to-grade growth, historical trends, and census and birth rate data.
- RVS is in urgent need of government approval and funding for new schools, additions and modular classrooms to accommodate our fast-growing communities. The Board is committed to advocating for the provincial government to fund the space needed for RVS students and relieve the pressures in our schools.

### Board Approves Changes to Hearings on Teacher Transfer Policy

- The changes to Policy 14 – Hearings on Teacher Transfer included renaming and renumbering of some sections to align the process from beginning to end and clarifying some of the language, definitions and titles throughout the policy

### Trustees Receive School Facility Improvements Update

- Director of Operations, Colette Winter provided trustees with information about upgrades to several RVS facilities which took place over the summer. Some highlights include:
  - o Modular classrooms added to Northcott Prairie School in Airdrie
  - o Mechanical upgrade, adding classrooms where there were offices on the second floor, downsizing the cafeteria to add additional classroom space, and renovation of the foods/cosmetology spaces at George McDougall High School in Airdrie;
  - o Partial roof replacement at Chestermere High School;
  - o Cochrane artificial turf project;
  - o Renovations to the lunchroom/activity space at Springbank Middle School;
  - o Improvements to the landscaping at the front entrance of Cochrane's Fireside School; and
  - o Construction of an outdoor classroom at Airdrie's Windsong Heights School.
- Some of the projects involved the redesignation of existing non-teaching spaces and converting current learning spaces for multi-purpose use as necessary solutions to keep class sizes reasonable as those schools continue to grow

## **Question & Answer:**

**Next Meeting: AGM - October 18/22 @ 7pm**

**Adjournment: 8:26pm**
